

Chewy Caramel Squares (available year round):

These are made with our homemade chewy caramel (same as what's used in our Turtles) and dipped in your choice of milk, white or dark chocolate and then topped with a zigzag pattern of the same. These are priced the same as our Truffles and may be mixed and matched with your choice of Truffles or enjoyed on their own. For those of you who enjoy the multidimensional flavors of caramel mixed with chocolate - you will thoroughly enjoy the experience of tasting these bite sized delicacies!
